

The Virginia March for Life is just one week away on Wednesday, April 3.

We have seen an out-pouring of support from all across the state for this important event – thank you!

As our state lawmakers gather for the Veto Day of the legislative session that day, they will be greeted with thousands of pro-life Virginians reminding them that abortion extremism should be rejected in the Commonwealth.

We also want to share some important logistical information with you.

We recommend you arrive early, as we are expecting a crowd of several thousand people, and we encourage you to allow enough time for parking and walking to the rally site.

There will be volunteers and marshals with the Knights of Columbus directing March for Life participants to the rally site. Please follow their directions and leading as you arrive at the Capitol Square.

Schedule:

11:00 a.m. Rally at the Capitol Steps on Capitol Square (The address of Capitol Square is 1000 Bank Street.)

12:00 p.m. March for Life around Capitol Square. (Click [HERE](#) for a map.)

We expect the march to conclude between 1 and 1:30.

After unloading passengers, buses should proceed to the **Baseball Stadium for the Richmond Flying Squirrels**. The address is 3001 N. If the Stadium Blue Lot fills up, there is additional overflow bus parking at the Capitol Square Auxiliary Bus Parking Facility, located at [2400 W. Leigh St. Richmond, VA 23220](#). A map is available [HERE](#).

We are so grateful that thousands of you will be attending and supporting the first official Virginia March for Life. We encourage you to have a spirit of hope and peace as we gather. While we have seen such extreme abortion bills pushed in our state this year, we have also seen pro-life victories and know that we have the truth on our side. We have joy and hope on our side. Please keep in mind the spirit of respect and peace in mind as we gather for the Virginia March for Life.
