● Is registration required?

The California March for Life is a public event that is open to all pro-life Californians. Registration is not required for the Rally or March, but is highly encouraged to stay updated on the details!

● Will signs be provided?

We encourage you to be creative and make your own signs! We will be providing signs to the public, as will many other organizations in attendance at the event.

● I want to lobby my legislator, but I'm not sure what to do. Where do I start?

If you wish to speak with your legislators, we encourage you to continue your day as a voice for life by contacting your legislators prior to the March to set up a time to meet with them before or after the March and Rally.

If you do not have an appointment, you can still stop by your member's office and leave a message for them with their staff. You can find your legislators [HERE](#).
